

The SICO Amesbury Series

SICO Wallbed In Oak or Maple Wall Cabinet System

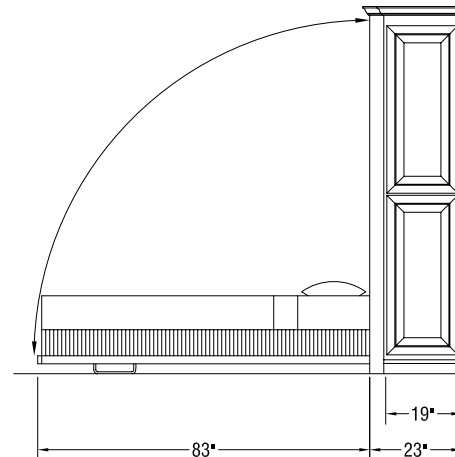

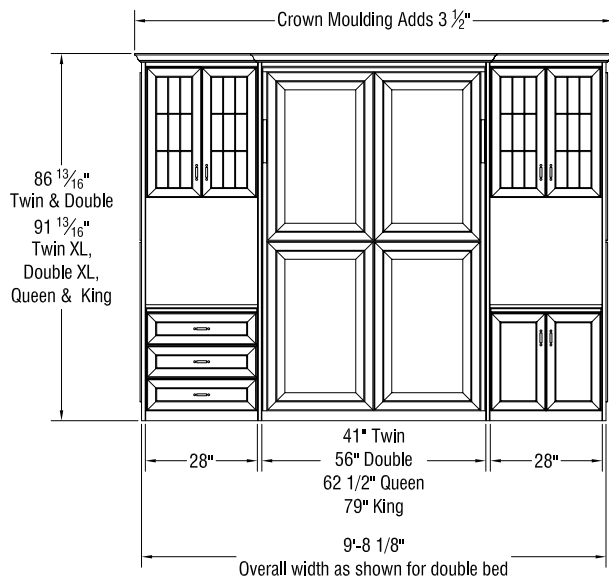

Quality-built SICO wallbed and custom wall cabinet system in oak, maple & birch hardwoods and veneers. Cabinets in cherry, walnut and mahogany available at upcharge. SICO can custom design a system to fit with other furnishings you select.

SICO Room Maker wallbed features the sleeping comfort of a full boxspring and mattress, and fingertip operation. Also, slanted, padded headboard is a delight for reading or watching TV in bed.
